

Oversight

The Oklahoma Beef Council Board of Directors is a board of beef and dairy producer volunteers all who pay the Beef Checkoff. To ensure the integrity of the Beef Checkoff in Oklahoma, we take the following steps:

- Undergoes annual independent audits with a regional accounting firm
- Institutes an Audit/Risk committee with an independent advisor to the committee with significant financial experience
- Contracts with a third-party accounting firm with circulating accountants for all accounting services
- Utilizes a five-step review process for monthly financials
- Regularly reviews bank statements received from the bank against online bank statements
- Employs a director of compliance to provide oversight of beef checkoff collections
